

DESCRIPTION:

Now the ENTIRE class can sing along and enjoy the high-energy, educational chants of the Rhythmic Reading with Rap audio CD. 25 students are able to take ownership of their learning by possessing their personal workbook as the teacher meticulously addresses various comprehension skills. Learning critical standards no longer have to be a task for your students. Mini-lessons addressing main idea, context clues, inference, and other Common Core State Standards can now be accompanied with catchy hip-hop songs that will reinforce concepts to sustain comprehension in your students' long term memory.
